Yeah. I do. I kind of just threw the book I was reading against the wall bc my fav character died. Also I ran out of oreos.

Yes. I get mad at well ~~everything~~ lots of things. Like books (I threw my copy of Escaping Peril at the wall after everyone was being mean to Peril) my phone (I get so mad when I lose at Fortnite) the door (because it doesn't

open easily) my binder (for all the homework inside) my computer (for its countless glitches) my pencil (for reminding me of all the homework I have to do) and the wall (for just being there). Also my siblings.
Thanks for listening to me complain. ;)

True.

When I first read Darkness of Dragons, I couldn't sleep until it was taken out of my room.

I also screamed at it, threw it, and refused to touch it.

That just might be me though. (I'm less angry at it now, actually read it again yesterday. It used good feels as a peace offering).
